

Come and explore with us, all year round, the beauties of eastern Crete. See the real, the extra virgin Crete, meet the people. Come and walk the mountains, ride your bike through valleys and [villages](#) , collect wild spices, make wine and cheese, collect olives and make olive oil, make tasty aboriginal food and cook it on wood, kayak the coast line and hide in small inlets and caves, or ride the waves sailing in the open sea side by side with the Cretan dolphins. Get on the spirit of Crete.

[Itanos Tours](#) can arrange and organize for the whole family everything you may need upon stepping foot on Crete. Transfer from airports, accomodation in hotels or in villas, meals in traditional taverns, excursions, everything you may imagine and more.

Itanos Tours organizes sea kayaking and hiking activities, combining the best of Eastern Crete.

Every night, the adventurers will dine together on tasty traditional meals and local wine while viewing the picturesque harbor. All participants will be able to share and discuss their daily experiences and plan for the next day's outings. The guides will be available to answer any questions or to introduce you to the coming event.
